FOLDING KNIFE 76MM/3" | SMOOTH BLADE

The AgBoss Drop Point Blade Folding Pocket Knife has a D2 steel blade for durability. This will be your all year pocket companion, ready for use every day of the week. The flip out blade has a never fail ball-bearing system providing smooth one-handed blade deployment. The secure blade locking system will eliminate the risk of the blade accidentally closing. The size makes it ideal for your pocket and has a belt clip, and easily attaches to belt or pockets.

FEATURES:

- **SMOOTH BEARING DESIGN:** Bearing assisted rapid one-handed deployment.
- **SECURITY PIN AND BLADE LOCKING SYSTEM:** The steel liner lock firmly fastens the blade when in use and eliminates the risk of accidental blade close.
- **SMOOTH STAINLESS STEEL BLADE:** 180mm/7" full length, 76mm/3" blade length with 3mm/1/8" thickness.
- **EXTREMELY SHARP:** The knife blade is made of high quality steel with sharp edge, which ensures hardness, sharpness and durable quality, perfect for efficient cutting.
- **UNBEATABLE TOUGH HANDLE:** Durable handle constructed by black reinforced nylon with glass filled and stainless steel handle.
- **LANYARD HOLE AND BELT CLIP:** Configured with a pocket belt clip for easy carry and lanyard hole for convenient hanging
