## RAT BARROW

SKU680000

- R A T stands for Ride on, Articulated, Tipping Barrow
- Ride On Wheelbarrow with a top speed of 10kph
- RAT Barrow is designed to improve material handling around the home, farm, garden and stables.
- Safe and stable ride with incredible manoeuvrability, with loads up to 200kg
- Powered by a key start 8.75 Professional Series Briggs and Stratton engine coupled with a Tuff Torq Hydro static transmission provides a reliable low maintenance drive train.
- The RAT Barrow frame is fully galvanised with UV stabilised poly-tub and guards, completed with stainless steel fittings means your RAT Barrow will handle all the elements and last a lifetime.
- A large 7lt fuel tank reduces the need for regular re-fuelling

*Owned and made locally in Albury*
